

## MEMBER PROFILE - Melissa Scott

Melissa is the current State Singles Ladies Champion.

Melissa and Gavin knew about the game as Gavin's parents played Petanque competitively in Victoria. A Google search found Prospect Petanque Club and they have been members for the past 5 years.

Melissa feels she is not a very co-ordinated person and she has never played competitively in a sport before. She has found Petanque to be a sport that she can participate in competitively.

**Melissa's tips** are to:

- learn the basic techniques
- adapt your throw to the type of piste and
- know where your landing spot should be for that piste.
